Volunteering can enhance your employability by...

- giving an opportunity to develop skills and knowledge..
- and gain confidence and experience required for a job
- introducing to new social networks
- enhancing your CV
- providing you with references

Tips

- Identify the gap between required and your current skills, knowledge and experience
- Decide whether volunteering is the best way how acquire these skills, knowledge or experience
- Identify what kind of volunteering (organisation, role, length etc) would help you
- Clarify your and organisation's expectations before you commit
- Reflect on your volunteering experience
- Update your CV
- Do not overdo it!
