

Typographic Haiku: Collaborativ^e Experiments

The work featured in this exhibition is a collaboration between Level 4 Creative Practice & Graphic Design students. The Creative Practice students created haiku and short poems and then handed them over to the Graphic Designers to illustrate typographically. This exhibition showcases the sometimes unexpected & extraordinary poetic & typographic consequences.

Thursday 20th February, 3:00pm
Project Room 3.33,
Media City Campus
Exhibition continues until
Friday 28th February

University of
Salford
MANCHESTER
